**Subject:** Our river needs a responsible cleanup

We need a river cleanup plan that supports our environment and our economy.

I support a thorough cleanup plan for the Willamette River but the idea that we can restore the river to its original state is not realistic. That kind of cleanup would take forever and it would cost a ton. Make sure that we get a flexible cleanup plan that works.

Please do what's right for the harbor workers and the families who depend on those jobs.

Sincerely,
